Park in the Pimlico Lot on the first day of the rotation/elective and until you are assigned to a designated parking lot or garage and issued a vehicle hang tag by the Medical Education Office. Directions to Pimlico Lot from Route 83, go west on Northern Parkway to the third light (Preakness Way), make a left and the parking lot is on your right. The shuttle, which runs regularly, will bring you to the front of the main hospital. It is important that you park only in the lot or garage where assigned. Vehicle parking hang tags must be returned to the Medical Education Office at the end of each rotation/elective.
