

EVALUATIONS FOR GYN/OB CLERKSHIP

INSTRUCTIONS FOR STUDENTS:

Please ask at least two attendings and two residents (no interns) to evaluate you during your GYN/OB clerkship. You must have a minimum of 4 (four) evaluators and a maximum of 6 (six) evaluators. It is *VERY* important that you get permission from these physicians to be your evaluators.

When a physician agrees to evaluate you, please write their name and E-MAIL ADDRESS (vital information!), and have them initial your Evaluator Information Card (yellow), which is included in your folder. You will turn the card into the clerkship coordinator on the day of the shelf exam. Please write the names and e-mail addresses clearly. Without this information, evaluations cannot be generated, and we cannot give you credit or a grade for the course.

The evaluation system, e*Value, is web-based. The physician will get an e-mail directing them to the e*Value website. The evaluations are generated after the clerkship is over.

PLEASE NOTE:

Evaluations will not be mailed or faxed to evaluators.

*The E*Value system is e-mail based, and your evaluator must have an e-mail account to do an evaluation on you. If you encounter a potential evaluator who does not use e-mail, or who does not have an administrator with e-mail that he/she can use to submit evaluations, then please choose another evaluator.*

*Due to the very large volume of evaluations that we generate and track, there are **NO EXCEPTIONS** to this.*

Please call or e-mail me if you have any questions.
