SCHEDULE POINTS

- Vacations run Sunday (after rounds) through Sunday (return to work Sunday night). We will try to give you the preceding and following weekend, but no guarantees.
- Rotations run Sunday night through Sunday day.
- L&D is covered by the US PGY-1 or GBMC PGY-1 for the ED intern on Thursdays 7-11 PM while the ED intern is on nights, or Friday 7-11 AM
- WBG nights is covered by the SONO PGY-1 when the WBG PGY-2 is on vacation. You will often have a call the preceding Friday.
- We will try to give you weekends off before you start night rotations, but you may have to work a Saturday or Friday call.
- The Holiday schedule is not yet determined. Please do not schedule flights or make plans yet.

IF YOU WANT TO CHANGE A CALL....

We are in full support of call swaps, but in compliance with RRC, ABOG and general legal requirements, we need to approve changes so that everyone can be accounted for.

So...if you want to change a call:

1. email or call people in your call pool/class who are not on call that weekend
2. when you determine a switch, please email the GYNOBchiefs@gmail.com account with the switch so we can put it on the schedule. ***Remember... if it doesn't get put on the final schedule, then it never happened when we are counting total calls.***
3. if you can not find a replacement for your call, please feel free to talk to Hindi and Sarah to see if they have ideas about who might be available.

IF YOU HAVE AN EMERGENCY...

Please use your discretion about what constitutes an emergency--- medical, family, or otherwise.

So... in the event of an emergency:

1. notify the chief of your service
2. AND notify Sarah and Hindi (via the GYNOBchiefs@gmail.com AND the **GYNOBchiefs pager**)
3. AND try to call someone who is off and can cover for you
4. AS A LAST RESORT, call Dr. Bienstock.

MATERNITY LEAVE/PATERNITY LEAVE/MEDICAL LEAVE

Our goal is for an even number of calls compared to your class over the year. We have calculated mean calls for every class and will happy to review them with you personally. However, we cannot account for unanticipated leaves. So... Once you anticipate that you will have a leave, please be sure to notify Sarah and Hindi as soon as possible. You should find coverage for already-scheduled calls ahead of time, but we will be happy to try and assist you as well.

And remember... according to ABOG and RRC guidelines, **residents are only allowed a total of 20-weeks off cumulative during the 4-years of residency** without having to make up time. (Also note, that no more than 6 weeks of these 20 can be taken off in fourth year.) These 20 weeks include: vacation, maternity/paternity leave, emergency medical leave, job interviews, and the last week in June given off to the 4th years.

MOONLIGHTERS

We are lucky to have moonlighters who cover Hopkins L+D and WBG. We don't always know their schedule ahead of time, so the call counts may become uneven. We will do our best to fix this, but remember they are doing us a favor!
