Explanation/Rationale

- ** All calls are 24-hrs except for Wbg Senior, BV float and JHH float. Calls are all in-house except for GBMC.
- ** Calls were assigned to keep people within their call pools and enhance continuity of care as much as possible. Fourth years tend to cover rotations that are less directly supervised and will need to function as back-up for all other services as needed.
- ** BV is covered by 2 residents on holidays and weekends. During the busier days of the holiday, there will also be an additional junior resident (BV Jr*) whose primary role is L&D coverage but may help with clinics and OR as needed.
- ** JHH Ante chief (Abby D) maintains JHH HROB list throughout the holiday and will staff HROB clinic 12/28. (Abby D covers post 12-hr call; Linda splits 12/27 call with Abby)
- ** Clinic chief (Shazia) maintains BV HROB list throughout the holiday and covers HROB clinic 12/29. Float person (Alok) covers L&D during this time.
- ** Alok covers BV HROB consult clinic 12/23
- ** Residents who are on call for 24-hr on Sun 1/3 (Mindy, Alaina, Clark, Lauren, Jen) are excused from clinical duties for dayshift of 1/4. GBMC resident (Ale) works 1/4 b/c call is home call on 1/3.
- ** Meredith covers BV Ob days Mon 1/4 b/c Jen is post-call. All other residents are on their regularly assigned services. **No change to nightfloat on 1/4.** (ie Alaina, Lauren, Hindi don't have 1/4 off.)
- ** Hindi covers overnight portion of Alex's 1/3 call to free him up for service (JHH Gyn chief) on 1/4.

Specific for clinic/OR coverage:

- It is hard to accurately predict the volume of OR cases or clinic coverage this far ahead of time. Based on discussions with the various divisions at BV and JHH, we created the template above. We also created float residents within the system to help with coverage.
- ** Alok is primarily BV coverage; Hindi is primarily JHH coverage. But both of these people are the primary "pull people" for any clinics, uncovered cases, or other emergencies as needed.
 - ** GBMC is covered by Sally & Joyce for the first 6 days and by Ale & Sherrine for the second 6 days of the holiday. These people, together, cover all OR cases on all days (not just their "official" on-call day.) They are also tertiary (after Alok and Hindi) back-up for BV and JHH as needed.
 - ** Wbg senior resident coverage is divided in 12-hr daily shifts to accommodate OR coverage and care for high acuity patients. JHOC onc clinic covered by Wbg junior.

Special Situations

- If Russo is unable to work Holiday Shift due to Maternity Issues:
1. Hindi covers BV Ob 24-hr shift on Wed 12/23
 2. Alok splits BV Ob shift on Fri 12/25 with Joyce or Sally (Alok is AM and Joyce/Sally PM. Each person only covers 12 hrs cuz it's a holiday)
 3. Joyce or Sally cover BV Ob 24-hr shift on Sun 12/27 (The person not covering BV covers GBMC home-call)
